

Ray

Cosmic sting straight to the heart,
Struck!

X-Ray-X

If it would help
I'd pray Ray
I'd pray for the explosive nature
Of your nuclear kisses Ray

Wow, the magic mushrooms
Of your bright eruptions
Ripping up horizons
Shredding clouds
Evaporating rain

Rain-Ray-Rain

I bow for you Ray
For your beauty Ray

Bow-Ray-Bow

Rainbow Ray, golden Ray,
Your colours
Shine right through me Ray.

You hit me.
You struck me
With your cosmic sting Ray.
